Weak

React

Weak

My English for communication is quite **weak**. I can only use it to search the internet and respond with short sentences. Long sentences, I often use Google Translate to help.

## {SUMMARY}

I have been working in Programer for over 6 years. Experienced frond end developer with a demonstrated history of working in the information technology. Skilled in SQL, PHP, jQuery, Cascading Style Sheets (CSS), and HTML. So I'm looking for front end in hopes of developing my skills.

Apply for : Junior frond end developer
